#### About the artist

I'm a software engineer. Basically, I'm computer geek who loves to solve problems. I have been developing software for the last 25+ years but have recently rekindled my love of music.

Many of my scores are posted with individual parts and matching play-along however, this is not always practical. If you would like individual parts to any of my scores or other specific tailoring, please contact me directly and I will try to accommodate your specific needs.

<b>Comment:</b>	Children's Corner (L. 113) is a six-movement suite for solo piano by Claude Debussy. It was published by Durand in 1908, and was given its world première in Paris by Harold Bauer on December 18 of that year. In 1911, an orchestration of the work by Debussy's friend André Caplet received its première and was subsequently published. It is dedicated to Debussy's daughter, Claude-Emma (known as Chou-Chou), who was three years old at the time. The... (more online)
